THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
- 5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

On arrival at an Event venue all Horses must undergo an examination by a veterinarian to confirm their identification from their passport, their vaccination status and general health. To protect all horses attending events, any Horse with a questionable health status, with regards to vaccination, disease or other concerns, must be stabled within the isolation facilities provided by the Organising Committee pending a decision on entering the venue.

HORSE INSPECTIONS

2013 Veterinary Regulations Article 1033

All Horses will be assessed for their orthopaedic fitness to compete during the Horse Inspection. Any Horse demonstrating questionable fitness may be referred to the Holding Box for further veterinary examination. Horses not deemed fit not to compete will be eliminated by the Ground Jury and not be permitted to continue in the competition.

LIMB SENSITIVITY EXAMINATION

All Horses competing at the Event are subject throughout the Period of the Event to Examination under Article 1034 of the Veterinary Regulations, the Limb Sensitivity Protocol. The objectives of the Protocol are to: (i) safeguard the welfare of the horse, according to the principles outlined in the Code of Conduct for the Horse, and (ii) to ensure a level playing field for all Athletes. Horses are not eligible to compete when a limb, or part of a limb, is hyposensitive or hypersensitive. Hypersensitive limbs have an excessive or abnormal reaction to palpation. Hyposensitive limbs include any alteration in sensitivity induced by a neurectomy or chemical desensitisation for as long as the alteration in sensitivity persists.

Horses may be examined under the Protocol at any time during the Period of the Event, including, but not limited to, between rounds and before the Jump Off and they may be examined once or on multiple occasions. All Horses selected to be tested must submit promptly to the Examination or are subject to immediate Disqualification. There is no obligation to examine any specific number of Horses during the Event.

1. VETERINARIANS AT EVENTS

2013 Veterinary Regulations, Chapter II

VETERINARY SERVICES MANAGER (VSM)

All Organising Committees must appoint a FEI Veterinarian as a Veterinary Services Manager to be responsible for assisting the organiser in achieving the Minimum Veterinary Standards and facilities required for an FEI Event. The VSM must ensure sufficient numbers of treating veterinarians are available for the type of Event and the number of Horses attending. The VSM may be the event treating veterinarian themselves.

FEI VETERINARIANS

All veterinarians treating Horses during FEI Events, including Team Veterinarians, Athlete's Private Veterinarians and Treating Veterinarians must be registered with the FEI as FEI Veterinarians – either Permitted Treating or Official Veterinarians. Veterinarians must carry their FEI ID Card with them at all times when in attendance at Events and must present this on the request of FEI Stewards or Officials. Athletes are advised to ensure that any veterinarian they wish to treat their Horse during an Event is registered in the correct way with the FEI. Registering as an FEI Veterinarian does not give any automatic right to having accreditation which is issued by the event Organising Committee.

2. NOTES TO ORGANISING COMMITTEES

FEI Veterinary Delegates must verify that adequate facilities and services are provided by the Organising Committee prior to the start of the Event, and ensure that FEI Stewards are aware of the requirements for the authorisation of Veterinary Forms, other treatments and the FEI Veterinarian ID Card during Events.

Organising Committees must also ensure that there are adequately trained stewards or designated individuals who will liaise with FEI Veterinary Officials to assist with the supervision of treatment areas. The Veterinary Forms 1-4 must be kept by the FEI Veterinary Delegate, referenced and submitted in their report to the FEI within 72 hours.

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for OCs to deduct such taxes, they **must** provide participants with an official form indicating the amount of tax deducted. *In according with article 30.II of the 1990 Finance Law amending article 182.B of the CGI (French General Tax Code) payments made as remuneration for artistic or sporting services provided or used in France, to persons residing outside France, have been subject to a 15% deduction at source, under the conditions laid down by international conventions.*

The tax form must be provided to the athletes upon arrival and returned to the OC prior to departing.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (GR Art 127, 128)

For details of the Breakdown for each competition please refer to the tables at the end of this document; the OC must specify which of the two tables will be used. The total prize money for the competition must be distributed among the first 12 placed athletes. The OC must provide additional created prizes for athletes placed beyond 12th place. The minimum amount for each of these additional prizes, for athletes placed from 13th to last place, must be clearly specified in the approved schedule.

IMPORTANT

Maximum Number of starters per competition: 100.

If more than 100 starters are entered, the OC must split the class and provide the equivalent amount of prize money for the additional Competition. OCs may apply either of the following methods for splitting the Competition:

The competition is split into two groups before it starts. There may be a different number of starters in each group. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group.

OR

The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition.

Annex I FEI Entry System

The FEI Entry System will be deployed gradually starting 1st January 2013, involving in the beginning some pilot NFs. The concerned NFs have already been contacted by the FEI IT Department. The full deployment of the FEI Entry System is expected by July 2013.

The calendar of selected events for the gradual launch of the FEI Entry System can be found on our website :

http://www.fei.org/sites/default/files/file/ITNews/List_of_Events_for_Gradual_Launch.pdf

The FEI Entry System for FEI Events will be mandatory starting in 2013 for all FEI events.

FEI Entry system is a key process in sport that involves all event stakeholders: National federations, Organising committees and the FEI

This new service for the national federations and the OCs improves exchange, communication between the OC and the invited federations and gives a better quality and traceability of the data.

All information regarding the FEI Entry System like tutorials videos, FAQ and other useful links and documents can be find on our website by following this link:
