THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

VIII.ADDITIONAL INFORMATION

1. INSURANCES

All owners and athletes are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

All participants must ensure that their personal insurance (civil liability, individual accident, sickness, etc.) are valid:

- For their sporting activity
- For the country in which this activity takes place

The FEI insures all FEI Officials, whose names are published in the FEI Officials lists, against third party liability including Judges, Course Designers, Technical Delegates, FEI Stewards, FEI Veterinary Delegates, Para Classifiers, Members of the Judges' Supervisory Panel and FEI Coaches (FEI MCP Veterinarians are covered under a different policy):

- **Who are acting for or on behalf of the FEI as stated in the approved schedule of the Event or who are acting in the scope and course of the FEI's Business as described in the final approved schedule; and**
- **Who have received the status of FEI Officials at FEI Events through a qualification process.**

The FEI will NOT insure:

- **National officials officiating at FEI Events; and/or**
- **FEI Officials, who have no official function at the Event.**

The insurance extended is for any liability that the FEI Official incurs to a third party, and for the costs of defending any such claim arising as a result of actions undertaken by the FEI Official in good faith (including errors and omissions) on behalf of the FEI. However, the insurance for obvious reasons does not extend to any liabilities incurred as a result of an FEI Official's dishonest, fraudulent, malicious, and/or illegal act.

Should an FEI Official become aware of an incident that he or she believes might result in a claim, that FEI Official should notify the FEI immediately and provide all of the facts known to the FEI Official. The FEI cannot guarantee the insurance coverage described above in circumstances where the FEI Official has good cause to believe that there might be a claim and does not provide such timely notice directly to the FEI.

No treatments may take place without coming under such control and authority, except in the case of a clear emergency, when a retrospective authority may be considered if the Horse is to continue.

8. VETERINARIANS AT EVENTS

2013 Veterinary Regulations, Chapter II

VETERINARY SERVICES MANAGER (VSM)

All Organising Committees must appoint a FEI Veterinarian as a Veterinary Services Manager to be responsible for assisting the organiser in achieving the Minimum Veterinary Standards and facilities required for an FEI Event. The VSM must ensure sufficient numbers of treating veterinarians are available for the type of Event and the number of Horses attending. The VSM may be the event treating veterinarian themselves.

FEI VETERINARIANS

All veterinarians treating Horses during FEI Events, including Team Veterinarians, Athlete's Private Veterinarians and Treating Veterinarians must be registered with the FEI as FEI Veterinarians – either Permitted Treating or Official Veterinarians. Veterinarians must carry their FEI ID Card with them at all times when in attendance at Events and must present this on the request of FEI Stewards or Officials. Athletes are advised to ensure that any veterinarian they wish to treat their Horse during an Event is registered in the correct way with the FEI. Registering as an FEI Veterinarian does not give any automatic right to having accreditation which is issued by the event Organising Committee.

9. NOTES TO ORGANISING COMMITTEES

FEI Veterinary Delegates must verify that adequate facilities and services are provided by the Organising Committee prior to the start of the Event, and ensure that FEI Stewards are aware of the requirements for the authorisation of Veterinary Forms, other treatments and the FEI Veterinarian ID Card during Events.

Organising Committees must also ensure that there are adequately trained stewards or designated individuals who will liaise with FEI Veterinary Officials to assist with the supervision of treatment areas. The Veterinary Forms 1-4 must be kept by the FEI Veterinary Delegate, referenced and submitted in their report to the FEI within 72 hours.

OR

The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition.

At this moment the rate for Foreign Competitors is 24.75%.

The foreign athletes may ask for information to:

MINISTERIO DE ECONOMIA Y HACIENDA

Delegación de Hacienda de Madrid

C/ Guzmán el Bueno, 73

28015 MADRID (ESPAÑA)

V.A.T. (21%) is included on all the prize money of this Show.
