THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

2. GENERAL CLASSIFICATION AT THE END OF THE COMPETITIONS

A. Leading athlete award – Prix du Vainqueur

Leading rider award: Prix du Vainqueur

Prize of honor and an amount of € 2.500,= for the athlete, being the best classified during the entire CSI 4* Amsterdam – 2014. The classification will be established as follows:

In all competitions (with the exception of competition S-5) points are awarded according to the following system: The winner gets as many points as the total number of athletes starting in the competition; the second placed athlete gets one point less etc. In case of ex-aequo placing all respective athletes will receive the points corresponding to their placing. Athletes eliminated or having retired will receive no points; however, this does not apply to eliminations or retirements during any jump-off or second phase/round.

Notwithstanding the above, the points obtained in each competition will be multiplied by a coefficient, as indicated in the prize money chart, displayed on page 19 of this schedule.

In case of equality of points for the first place of the final ranking of the Prix du Vainqueur, the best result obtained in competition S-8 will be decisive. Should this result be equal also, the best result obtained in competition S-3 will first serve as tie breaker; subsequently, in case of further equality, the best result obtained in competition S-6 will be decisive.

During the CSI 4* Amsterdam (NED) – 2014, the current leading athlete in the provisional Prix du Vainqueur standings will be requested to wear a special armband. The provisional classification will be updated following each competition, the results of which are counting for the Prix du Vainqueur ranking.
