THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
- 5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

CDI3*

The Athletes must state, at the latest at the date of definite entry for which Competition they wish to qualify, competition 19 (Grand Prix Special) or competition 20 (Grand Prix Freestyle). Athletes may give a 1st and 2nd choice if the OC so allows (i.e. Athlete will opt for Grand Prix Freestyle as 1st choice and Grand Prix Special as 2nd choice. Following conclusion of Competition the Freestyle is oversubscribed and the Athlete may then start in the Grand Prix special instead). Participation is, however, only possible in one (1) of the Competitions with the same Horse, and their original choice of Competition cannot be changed if there is space in that Competition.
