# **THE FEI CODE OF CONDUCT**

## **FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
- 5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: [www.fei.org](http://www.fei.org).

THE INTERNATIONAL DRESSAGE TRAINER CLUB (IDTC)  
FEDERATION EQUESTRE INTERNATIONALE (FEI)**

**REMINDER FOR ATHLETES AND TRAINERS  
REGARDING WARMING-UP AND TRAINING AREAS**

In recent years the warming-up areas have become more accessible to spectators, judges, press and media who enjoy watching skilful and sensitive riding and training methods.

Every athlete and trainer must accept his responsibility to uphold the high level of horse welfare our sport has achieved.

All warming-up and training areas are supervised by officially appointed FEI stewards. Their job is to ensure that FEI regulations are enforced and athletes and trainers maintain standards of riding and warming-up in accordance with art. 143 and 144 of the FEI General Regulations.

Should any spectator, athlete, trainer or judge be concerned about, or feel they are witnessing rough or unfair riding or training, without delay they should immediately report the incident to the FEI Steward. The FEI Steward will then decide on the appropriate course of action including reporting the incident to the Chief Steward who will report to the President of the Ground Jury.

More detailed information regarding disciplinary procedures can be found in the FEI General Regulations, art. 169.

***FOR THE INFORMATION OF ORGANISING COMMITTEES***  
**STABLE SECURITY/STEWARDING AT INTERNATIONAL EVENTS**  
**MINIMUM REQUIREMENTS TO ENSURE IMPLEMENTATION OF**  
**VRs Art. 1023**

**1. ACCESS TO STABLE AREA**

The stables must be completely enclosed within a suitably restrictive perimeter (stable area) which will act both as a deterrent to the admission of unauthorised persons and to the exit of horses. The area must be sufficiently large to allow horses to be evacuated from the stables in an emergency but still remain within the confines of the perimeter.

Whenever possible the stable area must include only stables; lorries, caravans, etc., should not be permitted within the area unless specifically needed as accommodation for horses and/or grooms.

Access to stables must be limited to those persons indicated in VRs Art. 1023.VI. It is essential that the official issuing authorised access be a responsible person of seniority within the Organising Committee.

**2. CONTROL OF ACCESS**

A control system must operate at all entrance gates so that there is an efficient and reliable method of identifying those who enter and leave the stable area at any time.

Extra vigilance must be used in establishing the identity of persons and reasons for entering the stables during the night.

**3. STEWARDING OF STABLE AREA**

At least one stable steward, directly responsible to the Chief Steward, must be present or readily available in the vicinity of the stable area 24 hours a day during the entire duration of the event. He may be assisted by deputies as required. The steward/deputies must regularly patrol the stable area, without establishing any predetermined pattern, to discourage any form of illegal practices or abuses to horses. Any misdemeanours must be reported immediately to the stable steward who must, in turn, report to the Chief Steward.

The duty of the stewards is therefore to safeguard the welfare of the horses and to prevent any form of illegal practices.

**4. GROOMS**

It is appreciated that grooms wish to remain with their horses during the night. Only grooms duly registered with the OC are permitted to do so.

The Person Responsible must ensure that his/her grooms, or any other authorised persons with access to his/her horses, are familiar with the security and stewarding procedures operating at the event attended.

**5. MOVEMENT THROUGHOUT EVENT GROUNDS**

Movement of horses between the stables, practice, grazing and main arena must be strictly controlled. The optimum layout for Jumping and Dressage disciplines is attached. It is appreciated that flexibility will be required depending on the requirements of other disciplines.

**6. STEWARDING OF PRACTICE ARENA**

The Chief Steward must ensure that all practice arenas are adequately stewarded all the time that they are officially open. He must also ensure that these arenas are subject to random control when they are officially closed.

**7. GRAZING AREA**

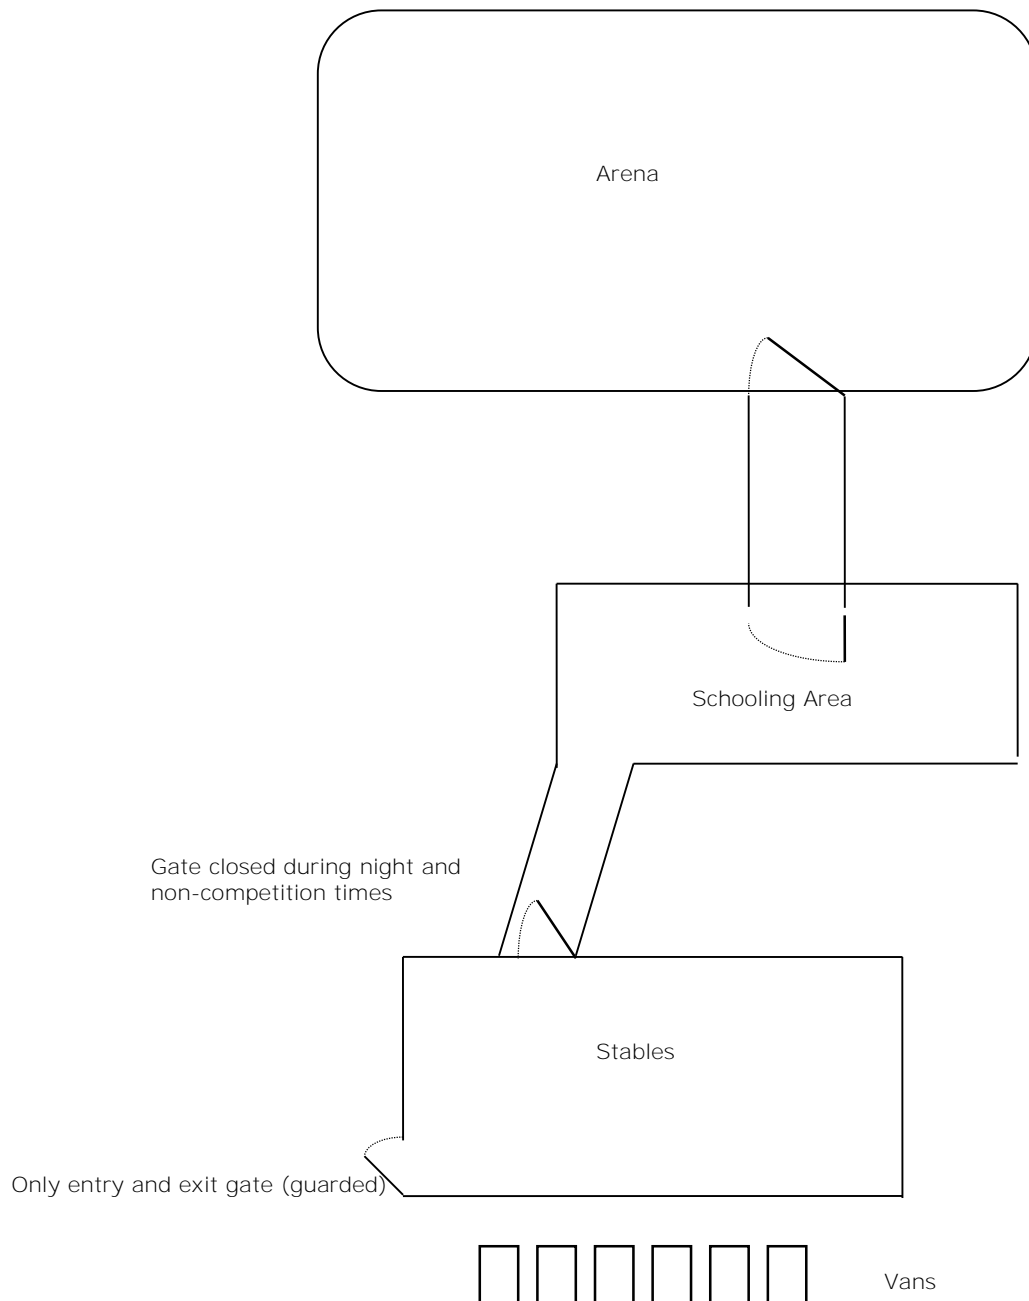

It is recommended that a grazing area be provided at all outdoor events, and that this be subject to random control. If available, horses must only be grazed or walked in hand within this area.

The Foreign Judge/TD at events will be specifically asked to check that the relevant requirements are met as reasonably as can be expected, depending on the discipline, and to indicate clearly any shortfalls, following which consideration may be given to altering the category of the event in future.

## **MEDIA OPERATIONS AT FEI EVENTS**

The FEI aims to achieve consistent global promotion of FEI Events, and the FEI Press Relations Team would like to take this opportunity to reiterate its commitment to working closely with you, the Organiser, and Event Press Officer to achieve this goal.

Increasing the visibility of our sport is a challenging but important objective, and in order to assist you we provide a number of useful tools to ensure optimal media coverage and working conditions for the media in the lead up to and throughout your event:

### **1. Media Operations At FEI Events – Guidelines & Checklists (see annex)**

The FEI has designed a comprehensive document - **“Media Operations At FEI Events - Guidelines & Checklists”** - which is attached as an annex to this Draft Schedule.

The document outlines the necessary steps, decisions and actions that need to be taken before, during and after the Event in order to optimise working conditions for media at the Event, and to secure positive media coverage of the Event.

IMPORTANT: If Organisers are working with an appointed Event Press Officer or press office team, the FEI recommends that the **“Media Operations At FEI Events - Guidelines & Checklists”** annex is supplied to them as soon as possible, so that all key guidelines within the document can be incorporated into the design and function of the Event’s media operations.

### **2. FEI online resources for media**
