Re. FEI General Assembly 2027

Dear President,
Dear Bruno

On behalf of the FEI, I am pleased to confirm that, during its in-person meeting held in Lausanne (SUI) on 30 June and 2 July 2026, the FEI Board allocated the organisation of the FEI General Assembly 2027 to the Federação Equestre Portuguesa in Cascais (POR).

Congratulations on your successful candidature. The FEI Board was impressed by the quality of your proposal and is confident that, working in close collaboration with the Federação Equestre Portuguesa, the FEI General Assembly 2027 will be a successful event.

The FEI General Assembly will take place on a date in November 2027, which will be determined by the FEI in consultation with the Federação Equestre Portuguesa.

The FEI Governance Department will contact your Federation in September this year to inform you about the next steps for the organisation of the event.

We look forward to working closely with you over the coming months and congratulate you once again on the successful allocation of the FEI General Assembly 2027.

Sincerely yours,

Francisco Lima
FEI Director Governance
