Assunto: FEI Events Standards Survey

Dear Members

Last month the FEI has launched a survey with regards to the FEI Events Standards. The survey will be available for all stakeholders until 14 February 2022 and its outcome will be discussed in April during the FEI Sports Forum.

It is very important for the FEI to have inputs from the different disciplines and different roles in the field, the Athletes, the Officials, the Grooms, the Owners, the Trainers, the Chef d'Equipe, the Organisers and the National Federations.

If you have not already done so we kindly remind you to please fill in the survey that can be found here: <https://inside.fei.org/hub/fei-events-standards-stakeholders-survey> . It takes 10 to 15 minutes to complete the survey.

Thank you very much for your contributions in advance.

With kind regards,
Carina
